PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Mrs. Hundley Heads P-CP Garden Club

Mrs. Lloyd Hundley was elected president of the Pahokee Canal Point Garden Club at a meeting at Cypress Lodge, home of Mrs. W. S. Evans Tuesday. Other club officers elected were Mrs. L. W. Armstrong, vice president; Mrs. O. R. Bleech, recording secretary; Mrs. Donald Kepp, corresponding secretary; and Mrs. C. L. Shirley, treasurer. Mrs. Don Hillier, retiring president, presided.

Following the election, the Gardena Garden Circle entertained with a tea, with all circle members serving on the hostess committee. Beautiful mixed bouquets of spring flowers were used in decorating the home for the occasion.

Mrs. C. M. Todd was re-elected chairman of the Hibiscus Garden Circle. Other officers elected were Mrs. A. D. Beverly, vice chairman; Mrs. Robert B. Simonson, treasurer; and Mrs. H. L. Speer, secretary.

The group made plans for the dedication of Pioneer Park. The dedication will take place Sunday, May 1, at 3 p. m., program details to be announced later.

The Gardena Garden Circle held a brief business meeting. Mrs. E. W. Brandes was elected chairman; Mrs. Alton Braddock, vice chairman; Mrs. W. S. Evans, treasurer; and Mrs. J. W. Brandes, recording secretary. Mrs. A. R. Chastain, retiring president, presided.

Funeral Services For Tom Smith

Funeral services for Thomas Alexander Smith, 58, of Pahokee were held in Danville, Va., Thursday, March 17.

Mr. Smith, a truck broker who had made his home in Pahokee during the farming season for the past several years, died at the Everglades Memorial Hospital Sunday night following a heart attack. He was a veteran of World War I, a member of the Canal Point Baptist Church and the Belle Glade Elks Lodge.

Survivors include his wife, Mrs. Cuma Smith, Pahokee, and one brother, H. L. Smith, Lake Worth. Wetherington's Funeral Home was in charge of local arrangements.

Roy Segree Back In Glades Bean Deal

A familiar and welcome face on vegetable sales in the Lake Okechobee Region is that of Roy Segree who is taking the sales manager place of Harry Smith at South Bay Growers. Mr. Smith is seriously ill in a West Palm Beach hospital. Mr. Segree for many years was connected with the Glades farm deal but more recently has been located at Indiantown where he now lives. His many friends will be happy to know that he is again associated with a Glades concern.

Mrs. S. H. Thornton returned to her home in Jackson, Ga., Monday after spending several weeks in Canal Point with her daughter, Mrs. Lester Duncan and Mr. Duncan.

13 Bibles Are Given Everglades Hospital

A gift of 13 Bibles was presented to the Everglades Memorial Hospital by the Woman's Missionary Union of the Pahokee First Baptist Church. The formal presentation was made by Mrs. W. A. Keen, WMU community missions chairman, in the presence of Mrs. F. G. Gillis, WMU president; Mrs. Horace Unwin, young people's leader, and James L. Merrell, interim pastor of the church. The gift was received on behalf of the hospital by James Reel, hospital administrator.

PTA Group Hears Of Migrants' Health

Mrs. Veronica Richelmyer of Belle Glade, who is working with a pilot program of health services for migrant families in the Glades area, was guest speaker at the March meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday night. She was introduced by James W. Vann, program chairman. Mrs. John A. Dulany, president, was in charge of the meeting.

At the business session Mrs. D. W. Cunningham, Mrs. William Plummer and Mrs. Robert Simonson were elected on a committee to recommend a new slate of officers and report at the April meeting.

The group voted to adopt new revised by-laws and send a copy to the State PTA office for approval. Mrs. R. T. Smith, PTA Blue Ribbon goal chairman, was asked to prepare a list of projects adopted this year, including parents and family life, music and art, school lunches, education of exceptional children, recreation, program planning and Founder's day and publication. Special Census Is Planned For County

A special census count for Palm Beach County will probably be underway here by mid-April with about 125 enumerators scheduled to do the counting under the supervision of the Federal Bureau of Census.

Meantime, the county commission has received a final draft of plans for the special census and an administrative headquarters is being established at the court house.

The commission learned this week that Robert L. Gaines, Atlanta, field assistant in the bureau's regional office, has been named supervisor for the special project. Gaines is scheduled to arrive here March 28 and after that time will interview applicants for the enumerators positions.

The commission said Gaines is not a newcomer to Palm Beach County, having served here for two years following the war when he was in charge of government equipment on loan to the county. The commission has named County Engineer Steve Middleton and County Attorney Harry Johnston to set up the census office here and to act as liaison representative between the commission and the Bureau of Census.

Application forms for the enumerators (continued on page 8)

Fishing Contest March 15 To June 15

A three-month Black Bass Fishing Contest, from March 15 to June 15, opened Tuesday under the sponsorship of the Pahokee Chamber of Commerce.

There will be weekly, monthly and grand prizes awarded for the heaviest bass caught in the contest, however, a contestant must pay a registration fee of \$1 at the C of C office at the corner of Main St. and Lake Ave. before he or she becomes eligible to win an award.

Official weighing-in stations for the recording of weights of the fish caught will be at Jones Hardware, the Western Auto Supply store and the Pahokee Service Station in Pahokee and Carter's Sport Shop at Canal Point. The fish may be weighed at any time, day or night, at the Pahokee Service Station.

The committee in charge of the contest includes Elmer Jones, chairman, Dick Parrish and Marshall Lair.

Wage Difference For The Same Work

The Southern Belle Telephone Company strike was brought home to Pahokee-Canal Point folks this week when the installer-repairman located in Pahokee was off the job and telephones needing service went unattended.

W. E. (Billy) McKinstry is the Southern Bell employee in the Pahokee-Canal Point area who takes care of service calls and installation. He told The Everglades News this week that his reason for being off the job centers around one clause in the present contract. That clause pertains to the difference in pay that he receives and an employee doing exactly the same work in Belle Glade who receives \$2.50 more per 40 hour week.

Mr. McKinstry pointed out that an installer-repairman (that's what he is and that's what the fellow in Belle Glade is who receives \$2.50 more per week) in West Palm Beach receives \$9.00 more than he does in Pahokee for a 40 hour week.

Dr. Lair Observes 85th Birthday

Dr. W. H. Lair, one of Pahokee's first citizens, observed his 85th birthday anniversary Sunday at his home, on East Main St., where he has been confined since suffering a stroke nearly three years ago.

Dr. Lair, who moved to Pahokee with his family in 1917 when the Glades was still a wilderness, helped to organize the first church and Sunday School in the community, was elected the first County commissioner from the Glades district in 1918.

He helped organize the Bank of Pahokee in 1922 and served as its president for 11 years; assisted with the organization of the Pahokee Drainage District in 1922, and served for six years as a commissioner on the now defunct Everglades Drainage District, starting in 1929.

Fred Sikes Speaks To Canal Point Lions

Fred Sikes of Clewiston, personnel manager of the U. S. Sugar Corporation, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night.

Introduced by O. H. Sheppard, program chairman, the speaker talked about the importation of labor from Jamaica and other islands of the Caribbean area to assist in the company's sugar cane harvest. President Osceola Upthegrove presided.

PHS Band Enters Several Contests

Nine soloists and one ensemble from the Pahokee High School Band were awarded superior (first place) ratings while six soloists and one ensemble received excellent (second place) ratings in the solo and ensemble part of the District Contest for high school bands and orchestras held in the band room of the Lake Worth High School Tuesday.

Read superior were Chuck Elliott, Kenneth Williamson and Jerry Rutherford, snare drum solo; Jill McIlwain and Anita Cowart, piano solo; John Williams, cornet solo; Cindy Friend, Nancy Thomas and Glenda Russum, baton twirling solos; Val Galbaldon, Glenda Russum, John Guerry and Donna Lee Upthegrove, saxophone quartet. Rated excellent: Val Galbaldon, alto saxophone solo; Philip Dulany, piano solo; Harry Elarbee and Philip Dulany, piano solo; Harry Elarbee and Philip Dulany, cornet solos; Sandra Lampi, oboe solo; Joyce Cobb, French horn solo; Rose Marie Henderson, Judy Starling, (continued on page 8)

FFA Sweetheart To Be Chosen April 12

The five upper classes at Pahokee High School are each sponsoring a candidate in the contest to choose a 1955 Sweetheart for the Pahokee Chapter, Future Farmers of America. The contestants are Jill McIlwain, eighth grade; Ann Rita Burns, ninth grade; Judy Shackford, tenth grade; Jeanine Mock, eleventh grade, and Joyce Lindsay, twelfth grade.

The contest will end Saturday, April 12, at 8 p. m. prior to the start of the FFA Sweetheart Dance which the Pahokee FFA Chapter gives annually to Pahokee High School student body. The winner, to be chosen by public vote at a penny a vote, will reign as queen of the dance with the other contestants serving as her attendants. Miss Gaye Schoepel, the 1954 FFA Sweetheart, will place the crown on the head of the 1955 winner.

The five candidates and Miss Schoepel were guests of honor at the annual parents and sons banquet given by the Pahokee FFA Chapter in the Community Hall at Canal Point, this banquet signifying the kickoff of the Sweetheart Contest, with approximately 150 persons attending.

C. C. Gorman of Jacksonville, president of the Florida Chain Stores Association, as guest speaker (continued on page 8)

Red Cross Drive Started On Monday

The annual American Red Cross fund drive got under way in the Pahokee-Canal Point area at a kickoff breakfast in Dan's Restaurant Monday morning, when C. A. Batchelor, general chairman of the drive, gave final instructions to his division chairmen and workers. This year's quota for the Pahokee-Canal Point area is \$1,450.

Division chairmen include Mrs. Hugh Branch and C. R. Wetherington, Jr., Pahokee house-to-house canvass; Mrs. Julian Branch, Canal Point house-to-house canvass; Ralph O. Johnson and William Plummer, business houses.

Workers in the Pahokee house-to-house canvass include Mrs. Gene Pickren, Mrs. W. O. Hoss, Mrs. Arthur Larrimore, Mrs. E. L. Pope, Mrs. F. M. Shaughnessy, Mrs. W. D. Howard, Mrs. Lewis Friend, Mrs. Loren O'Neal, Mrs. Robert Hatton, Mrs. Edgar Wilder, Mrs. T. W. Knight, Mrs. Charles Wilkinson, Mrs. R. J. Schroder, Mrs. Joel Brown, Mrs. William Plummer, Mrs. Lester Hand, Mrs. Antionette Vertommen, Mrs. R. D. Hardaway, Mrs. Eugene Reed and Mrs. J. T. Eoynton. Workers for the Canal Point and Bryant residential areas are Miss Beth Smith, Miss Billie Nell Stokes and Mrs. Perry Hall.

Cornerstone Laying For Methodist Bldg.

The Official Board of the Pahokee First Methodist Church at a meeting in the church, completed plans for the ceremony of the laying of the cornerstone for the church's new \$75,000 educational building.

The ritual will take place during the morning worship hour Sunday, March 27, with Dr. Clare Cotton, superintendent of the West Palm Beach District of Methodist Churches, to officiate.

Following the ceremony a fellowship dinner will be held on the church grounds, the tables to be set up on the floor of the unfinished educational building. Members of the Woman's Society of Christian Service will be in charge of dinner arrangements.

In the afternoon Dr. Cotton will conduct a third quarterly conference in the church auditorium.

The board named on a nominating committee to recommend a new slate of church officers Dr. Robert A. Guy, Mrs. John A. Dulany, A. J. Spencer, Lloyd Hundley and Mrs. Robert J. Schroder. Mrs. H. J. Anderson was appointed in charge of replacing a broken window in the church sanctuary.

TO BE ADJUDICATOR

Bandmaster Robert O. Lampi of Pahokee will serve as adjudicator at the District Four contest for high school bands and orchestras to be held in DeLand this Friday. Mr. Lampi also adjudicated at the District Three contest at Clearwater on Friday of last week.

Col. Jos L. Mackey, president of Mackey Airlines, has offered to construct four airports in the Bahamas for use of his line. After 15 years, the property would be turned over to the Bahamian Government.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week acknowledged a request from the Canal Point Lions Club for a traffic survey of several highway intersections in that Glades community.

County Commissioner Paul Rardin presented the request to the board, a request that called for the State Road Department to conduct the surveys as soon as possible. Rardin won the support of

the commission to call on the state agency to conduct the surveys.

In another road project in the Glades, Commissioner Rardin reported that the contractor was back at work on rebuilding 8.2 miles of Conners Highway west of 20-Mile Bend.

The commission this week also voted to extend the appreciation of the board to the State Road Depart-

ment chairman for having included construction of a new bridge across the Inland Waterways near Juno Beach in a recent highway letting. The successful bidder on the Parker Bridge was Cleary Brothers Construction Co. at a price of \$1,181,000.

Possibility of a full time state auditor to conduct a continuing audit for the county, was under consideration this week. The board has instructed County Attorney Harry Johnston and R. E. McKee, assistant auditor, to investigate the possibility of establishing such a project.

The board also authorized letters of commendation to the Lantana Volunteer Fire Department, the Civil Air Patrol and the Lake Worth Fire Department for fire fighting activities in John Prince Park over the weekend.

The board voted to call for bids for parking meters at International Airport and made plans to meet with Tom Manuel, chairman of the State Turnpike Authority to discuss a county commission resolution asking for certain grade separations across the county's section of the tollroad.

The board granted County Engineer Steve Middleton a two-week military leave for a tour of active duty in Washington, D. C. starting May 1.

ON VACATION

Miss Jeannette Platt and Miss Donna, Gail Jensen arrived home Wednesday afternoon for a weeks vacation with their parents in Pahokee, marking the conclusion of their Pre-Clinical Period at Jackson Memorial Hospital School of Nursing. They will receive their Caps at an impressive ceremony at the University Baptist Church Coral Gables, March 25 at 8:00 p. m.

Cinematic Chatter

By Malcolm Miller

Hello everybody! For once Nina Foch isn't "on the make". In a film role. At least that is the word from Hollywood concerning a new picture that is before the cameras, without title so far. It was not always so. Her very first picture, made in 1943, was titled "Return of the Vampire," which gives an idea of the parts the movie producers had cut out for Miss Foch. Her recent pictures all have been cut to a similar mold. In "An American in Paris" she played the rich and sophisticated American girl who tried to break up the romance between Gene Kelly and Leslie Caron. In "Scaramouche" she appeared as Marie Antoinette, who looked with disfavor on Mel Ferrer's pursuit of Janet Leigh. In "Young Man With Ideas", she almost succeeded in breaking up the happy marriage of Glenn Ford and Ruth Roman. In "Sombbrero", she played the wife spurned by Vittorio Gassman and taking out her revenge on Yvonne de Carlo. And, finally, in "Fast Company", she again played a third, interfering party who made things romantically uncomfortable for Howard Keel and Polly Bergen. But Miss Foch says it is all in a days work and she really has no romantic designs on any of the male gender she "works with" in front of the cameras. See you at the movies —Mal.

Three New Members In Order Of Rainbow

The Misses Shirley Kincaid, June Gant and Joan Darden were voted to receive the degree of the Order of Rainbow for Girls at a meeting of the Pahokee Assembly in the Masonic Hall Monday night. It was announced the initiation rites for the three candidates will be held the night of March 28.

Officers of the assembly will hold a special practice session under the direction of Miss Jeanine Mock, worthy advisor, in a special meeting Monday, March 21, at 7 p. m. Miss Sarah Beth Sikes of Clewiston and Mrs. Charles Sears were introduced as visitors.

Alcoholic Program Gets Deserved Praise

JACKSONVILLE—C. C. Codrington, director of the Florida Department of Public Welfare, pays a well deserved tribute to the Alcoholic Rehabilitation Program of Florida.

He states, "It has gone ahead slowly and carefully. Its first step was the selection of an outstanding leader; its second, a survey of the entire area, to determine the scope and extent of the problem. An excellent staff has been secured."

"It is gratifying to note that Florida has brought this problem into the open and is doing something about it."

Scoggin Talks To Pahokee Rotarians

The Rev. B. Elmo Scoggin, missionary to Israel, was guest speaker at last week's Thursday luncheon meeting of the Pahokee Rotary Club. Introduced by Paul Rardin, he spoke on: *Life Today in Palestine, Land of the Bible*, relating some of his experiences during his mission in the Near East.

The Rev. Scoggin has been conducting a revival at the Canal Point Baptist Church and was pastor of this church before resigning to enter the foreign missionary service. At that time he was an active member of the Pahokee Rotary Club and when he left this area to begin his overseas missionary work the club made him an honorary member. While in Israel he founded a Rotary Club in Nazareth and represented the Pahokee Club at the Rotary International Convention in Paris, France, two years ago. He also served as pastor of churches in Nazareth and Jerusalem.

In his talk the speaker stressed his conviction that the Rotary motto, "Service Above Self," if practiced universally, would soon solve

mankind's problems and bring peace and understanding to this troubled world.

The club voted to adopt the resolution drawn up recently by the Pahokee Woman's Club requesting the Palm Beach County Chapter of the American Red Cross to furnish a vehicle for the transportation of charity patients to and from the free clinics on the East Coast when it is necessary to take them from the Glades area to the clinics for treatment. This resolution was drawn up the past week by Mrs. Frank Friend, chairman of the Woman's Club resolutions committee, and signed by Mrs. Catherine Kennedy, club president; Miss Janet Raley and Miss Jane Plumer, County Health Department nurses stationed in the Glades, and Chester A. Batchelor, chairman of the Red Cross drive in the Pahokee-Canal Point area.

SPECIAL ODS PROGRAM

Mrs. Jessie Barnes presented a special program honoring wardens and sentinels at a meeting of the Pahokee Chapter, Order of Eastern Star, in the Masonic Hall Thursday night. Mrs. Mattie Lou Keen, worthy matron, presided. Mr. and Mrs. Perry Hall were hosts during the serving of refreshments.

Five Scouts Pass Their First Tests

Five members of the Pahokee Boy Scout Troop 28 passed tests and were awarded their tenderfoot badges at the weekly meeting in the scout hut Tuesday night. Scoutmaster Louis Mims presented badges to Carol Watson, Robert Lindrose, Danny Padgett, Carmen Salvatore, III, and Lester Lindrose. The scouts were briefed on the weekend trip they are planning to make, leaving Friday afternoon for the Gulf Stream Council Camporee at the Boy Scout Camp near Jupiter and returning Sunday afternoon. A demonstration of camp cooking in tin foil was given at the meeting by George King of Belle Glade, Glades District Commissioner, who was a visitor.

Troop 28, which has been very active since it was reorganized last month by Scoutmaster Mims, assisted by Ed Carver, GSC neighborhood commissioner, held a fish fry at the scout hut Saturday night, using fish the scouts had caught on a recent camping trip and stored in a deep freeze. In charge of cooking the fish were Scouts Gene

Pearce, Joey Alderman, Dale Rosenberg and Leon Beede. Scout games were enjoyed.

Members of Troop 28 attended in a body the revival service at the Pahokee First Baptist Church Sunday night. They were accompanied by Scoutmaster Mims and Neighborhood Commissioner Ed Carver.

Mrs. Adams Hostess For Miss Maxson

Mrs. Lon Adams entertained at her home in Canal Point Friday with a bridal luncheon in compliance to Miss Patricia Ann Maxson, bride-elect of Charles P. Walker, III, of Manhasset, N. Y., prior to Miss Maxson's departure Tuesday by plane from Miami for Europe where she will join Mr. Walker in marriage in the near future. They will make their home there while he is serving with the U. S. Army in that area.

The hostess used pink dusters and gladioli in decorating her living room and dining room for the luncheon and laid plates on six tables for the 22 guests. She was assisted by Mrs. Edna Barrett and Mrs. H. L. Spear.

Miss Maxson received a hand-painted bridge set as a gift from the hostess.

County Airports In Annual Report

An increase in air traffic, a boost in gasoline sales, and an operating profit, is the final recapitulation of last year's activities at Palm Beach International Airport.

County Commission Chairman Ben Sundry said the annual report showed a boost of some 30 percent in passenger travel during the past 12 months.

Passengers using the airport totaled 121,436 with more than 62,000 travelers using outbound planes.

Other statistics furnished by the six airlines operating at the base—all figures up from a year ago—show some 300,000 pounds of air mail, 189,000 pounds of air express and 1,745,000 pounds of air freight was moved through International Airport last year.

Executive and private aircraft, which used 129,000 gallons of gasoline, helped push gas sales near the quarter million gallon mark last year. Next to privately owned planes, Midget Airlines was the county's best gasoline customer, using 33,000 gallons.

Landings and take offs at the base, including military and civilian planes, show that some 61,000 planes used the port in the past year. Of that number more than 1,200 were private ships. Military planes were most frequent users of the airport runways.

Arrival and departure of planes between the base and foreign ports accounted for about 2,000 planes using port facilities. Some 14,000 passengers cleared customs here in addition to the 3,500 migratory laborers who were processed through International Airport.

Airlines operating out of the port include Eastern, National, Mackey, Midet, "Q" Airways and Riddle Airlines.

Chairman Sundry said total income from the county's three airports—International Airport, Park Airport at Lantana and Glades Airport at Pahokee—totaled \$44,331 last year. Cost of operating the three airfields was listed at \$42,941.

More than new

**Ford's 162-h.p. Y-block V-8 and 182-h.p. Y-block
Special V-8 now offer new Trigger-Torque power!**

When you Test-Drive Ford's new Trigger-Torque power you're in for a thrilling surprise. For here is power that can get you moving in split seconds . . . and give you safety-fast passing ability. It has actually been measured that it takes the rear wheels as little as 7/100 of a second to react to your touch on the gas pedal. Such

Go-power can come only from engines which are more than merely new—more than ordinary V-8 engines. And that's exactly what these Ford engines are. They are the result of the most advanced V-8 engineering—a result of Ford's experience in building more V-8 engines than all other makers combined have ever built!

Tried and true

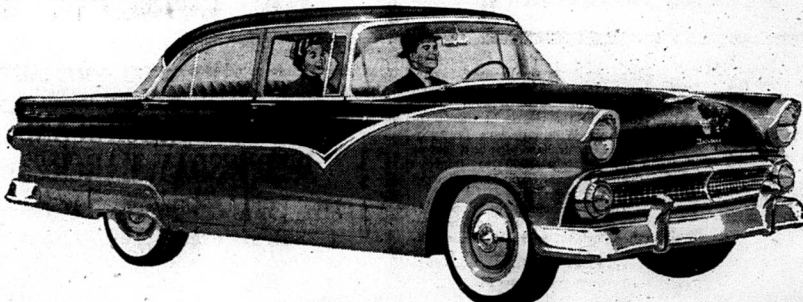

**Ford's 1955 engine news resulted from 23 years'
experience building over 14,000,000 V-8 engines**

In 1932 Ford introduced the V-8 engine to the low-price field. And it was only just recently that other makers in Ford's field adopted this kind of engine—23 years later. Yet it is interesting to note that the majority of costlier cars were offering V-8's some time ago.

Ford's V-8 experience has never paid off better than this year. Now you can enjoy the ultimate in "Go"—new Trigger-Torque power. Now you get the greater smoothness of Ford's rigid deep-block design. Now you gain the savings of higher compression ratios. Now you

gain the power of the biggest Ford car engines ever.

Come in. Take your Test Drive today. Ford has much more to offer that's new. You'll find beautiful Thunderbird-inspired styling—comfortable new Angle-Poised Ride, to name just a few.

Pahokee Council Reconsiders Zones

At a public hearing on the proposed new revised zoning ordinance held by the City Council during its regular meeting Monday night questions were raised by R. O. Cross by about the minimum size of lots as specified in the revised ordinance for the new subdivision he plans to develop. J. D. Watson spoke against the ordinance's restrictions against business building on Barfield Highway. The Council voted to continue the hearing at a special meeting Monday night, Mar. 21. It also voted to have charts printed, explaining in clear, simple language the building regulations covered by the new ordinance in the various zoning districts within the city, the charts to cost approximately \$100. An effort will be made to have a few copies of the charts ready for reference at the March 21st meeting.

Mayor Lewis Friend and City Attorney Ralph O. Johnson reported that the contract for financing Pahokee's proposed new breakwater on Lake Okeechobee is ready to be sent to Tallahassee where it must be approved and signed by the State Cabinet before the \$200,000 loan from the State's Internal Improvement Fund will be available for the construction. The Council indicated that it favors Engineer Kenneth C. Mock's Plan B for the breakwater which would place the structure on the northwest of lake side of the channel at a distance not to exceed 1,000 feet from the levee. At the present time these plans are in the hands of the U. S. Engineers for study and approval.

It was voted to make necessary repairs immediately on the city's swimming pool to get it ready for the pool's opening on April 8 for the season. Councilman Dick Parish was asked to make arrangements for advertising for a manager of the pool.

Streets Commissioner James H. Wilkinson, Jr., was authorized to change the parking of cars from the present diagonal system to parallel parking on Lake Avenue from Bacom Point Road to Main Street to relieve the traffic bottleneck in the area. Wilkinson was also authorized to purchase pipe at a cost of approximately \$900 to improve drainage facilities on First, Second and Fourth Streets.

The group voted its support of the seven bills to be sponsored by the Florida League of Municipalities in the coming session of the State Legislature and of five other bills supported by the FLM.

It was decided to establish a beach for Negroes on Lake Okeechobee at the city's waterfront, the location, however, to be determined later.

City Clerk Dorothy Graham was granted an expense fund not to exceed \$50 to attend a short course for municipal finance officers and city clerks at Gainesville March 20-23.

Mr. and Mrs. Thomas Dickson and son, Tommy, of Auburn, Ala., have arrived for a visit with his mother, Mrs. Otis Allen, and other relatives in Pahokee.

Visitors Are Many At Sugar Cane Station

Carlos Ramirex, sugarcane agronomist, Ministerio de Agricultura, San Jose, Costa Rica, visited the Federal Sugarcane Breeding Station at Canal Point the past week while enroute back to Costa Rica following a two months' study at the Hawaii Sugar Planters Association's Experiment Station in Honolulu.

Other recent visitors at the Canal Point station were Dr. I. E. Stokes, senior agronomist and project leader for the U. S. Department of Agriculture sugarcane research,

who left by plane from Miami to compare notes with sugarcane research workers in Louisiana, Mississippi and Georgia after spending five days on temporary duty at Canal Point; T. H. Zimmerman of Davis, Calif., plant breeder with the USDA Special Plants Section, who inspected the experimental plantings of tobacco and castor beans at the Canal Point station; Samuel Hager, research agronomist, stationed at the special crops and field laboratory on Merritt Island; and C. S. Connelly, retired, former administrative assistant in the USDA Sugar Corps Section, Washington, D. C.

Benjamin Franklin, whose birthday is January 17, was expert in handling money and his advice is as sound today as 200 years ago. All quotations here are from his booklet, "The Way To Wealth," published 1760.

Ben Franklin gives you some expert advice about Payroll Savings

"What though you have found no Treasure, nor has any rich Relation left you a legacy, Diligence is the Mother of Good Luck."

Have you ever wished you had \$1,000, \$5,000 or more—to buy a car, get a home, help you toward retirement? Today, it is actually easy to save such large sums! Because, today, you can have your saving done for you—with automatic diligence—through the Payroll Savings Plan.

"If you would have a faithful Servant, and one that you like, serve yourself."

Serving yourself means *keeping* some of the money you make each week and investing it, for yourself. Here's how: you just name a sum to your company's pay office—a few dollars or as much as you want. Each payday, that sum will be saved from your pay, before you get your check and invested for you in one of the world's finest investments, U. S. Series E Savings Bonds!

"Little Strokes fell great Oaks."

Because Savings Bonds earn good interest, they're soon worth more than the money you've invested in them. And how your savings mount up! Sign for as little as \$5.00 a week and in 9 years, 8 months, you'll have \$2,850 *cash*. In 19 years, 8 months, you'll have \$6,872!

"One To-day is worth two To-morrows, and farther, Have you somewhat to do To-morrow, do it To-day."

For your own sake, don't put off joining the 8 million Americans who are making their dreams come true through Payroll Savings. Sign up for Payroll Savings today. Or, if you're self-employed, invest in Savings Bonds regularly where you bank. If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

"Remember what Poor Richard says:
Many a Little makes a Mickle."

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

Christian Science Group Of Canal Point

How spiritual understanding of God brings freedom and happiness will be brought out at Christian Science services Sunday. Scriptural selections in the Lesson, Sermon entitled "Matter" will include the account of Moses' call from God to free the children of Israel from bondage.

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (200:4); "Moses advanced a nation to the worship of God in Spirit instead of matter, and illustrated the grand human capacities of being bestowed by immortal Mind." The Golden Text is from John (6:63): "It is the spirit that quickeneth; the flesh profiteth nothing."

Miss Maxson Arrives Safely In Germany

Mr. and Mrs. Earl Maxson and daughter, Miss Patricia Maxson, spent Monday night in Fort Lauderdale the guests of Mr. and Mrs. Ed Smith. On Tuesday morning Miss Maxson boarded a plane at Miami for Frankfurt, Germany, via New York City.

Patsy arrived in Frankfurt Wednesday morning, according to a cablegram received by her parents. Her fiancé, Charles P. Walker, III, who is stationed by the U. S. Army in Europe and whom she will marry as soon as Army regulations permit, was at the airport to meet her upon her arrival in Frankfurt. She was greeted there also by her cousins, Sgt. and Mrs. Douglas Hudgins, who have been residents of Metz, France, for the past two years. Enroute she visited Mr. Walker's parents, Mr. and Mrs. C. P. Walker, Jr., during a three-hour wait while changing planes at New York City.

Canal Point Folks In Hospital Result Wreck

Mrs. W. J. White of Canal Point and her sister, Mrs. Ila Browning, are patients at the Everglades Memorial Hospital where they are receiving treatment for injuries suffered in a car accident near Perry, Fla., Friday night.

Mrs. White, accompanied by her sister, Mrs. Browning, and her son, Bobby White, was on the way to visit her son-in-law and daughter, Mr. and Mrs. Henry Sexton, at their home near Marianna where, Mr. Sexton is recuperating from a recent heart attack, when the accident occurred. They were driving through the dense smoke of a forest fire when another car traveling at a high rate of speed struck their car in the rear, crumpling the back end like an accordion. Mrs. White, who was lying down resting in the back seat, was thrown to the floor of the car and wedged in between the two seats of the sedan as they were knocked close together by the impact.

Mr. White motored to North Florida and brought his wife and sister-in-law home Saturday night and they entered the local hospital for treatment Sunday. Mrs. White received severe bruises and Mrs. Browning, an injured leg, in the accident. Bobby White, who was not hurt, visited the Sexton family a few days at Marianna before returning to Canal Point Tuesday evening.

Would Make Pole Fisherman Get License

DAYTONA BEACH—The Florida Wildlife Federation will support a proposed bill that would require all "cane pole" fishermen to buy a license for fishing in their own counties.

As the state law now stands, they do not need a license to fish with cane poles in their own county.

The State Federation is working closely with the National Wildlife Federation in its national conservation program. It feels that the cane pole license would not be a burden and would help the overall state and national program.

Fights Milk Control

MIAMI—Otis Shiver, a Miami grocer, is waging a one-man campaign against the Florida Milk Commission.

As a protest against the price of milk, Shiver said he would rather give milk away in his two stores than sell it at prices fixed by the Commission.

Last week the irate grocer gave away over 600 quarts of milk in protest over an order from the Commission to cease selling milk below the established price.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% compounded semi-annually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000

crators posts are now available at the county commission office in West Palm Beach and it is expected that some 200 candidates will be interviewed for the jobs. The bureau said enumerators will be paid at the rate of six cents a name and will be paid mileage for the use of privately owned cars in their jobs. The average wage will probably run between \$8 and \$10 per day, the bureau said.

Applicants for the census jobs must be between the ages of 21 and 65.

The special census has been in the planning stage for several months with funds for the work having been budgeted by the commission this year.

Palm Beach County in the last

federal census 1950 had a population of 114,144 people. In the 1940 census the county had a population of 79,889. The special census this year is expected to show that the county's population has mushroomed in the past five years.
